

Cris Julius Malipico

IT Staff / Web Developer

*crismalipico12@gmail.com | www.linkedin.com/in/crismalipico
Muntinlupa, NCR, 1776, Philippines | 091617713925*

Strong focus on maintaining reliable systems, troubleshooting technical issues, and ensuring smooth daily operations. Adept at supporting users, managing IT infrastructure, and delivering efficient, secure technology solutions.

Education

Pamantasan ng Lungsod ng Muntinlupa

Aug 2022 - Present

Bachelor of Science Information Technology

Projects

MMORPG Landing Page

Apr 2025 - May 2025

Developed a visually immersive and responsive MMORPG landing page using modern web technologies, showcasing custom character sections and engaging UI elements that enhance storytelling and user interest.

SmartSpecs

May 2025 - Sep 2025

PC Configuration Recommendation Web App: Designed and developed an intelligent web application that uses user input to suggest optimal computer components and future upgrade paths, helping users make informed decisions when building or purchasing a setup.

Co-Living Tenant Web App

Aug 2025 - Dec 2025

Designed and built a scalable multi-tenant SaaS web application using Next.js and Vercel, implementing tenant-specific routing, isolated user workspaces, responsive UI, and cloud deployment for seamless onboarding, personalized experiences, and efficient customer management across multiple domains.

Co-Living Landlord Web App

Aug 2025 - Aug 2025

Built a responsive landlord property management web app using modern web technologies and Vercel deployment, enabling landlords to manage properties and tenants, track rent and maintenance, and streamline communication with intuitive dashboards and secure role-based access for efficient rental operations.

Work Experience

Full-Stack Web Developer Intern

Sep 2025 - Dec 2025

[OnTap Creatives](#) | Las Piñas City

Developed a fully functional landing page and ordering system for OnTap Creatives. I automated mailing, user registration, ordering, and monitoring of records.
